Grow from there.

EXPLORE PROJECTS

Beautiful, realistic web development projects, for coders at every stage of their learning journey.

Featured projects

Our practice projects are designed to deepen your knowledge and broaden your experience in areas including: using JS frameworks like React, working with live and complex datasets, making slick CSS animations, creating responsive layouts and much more.

NEW

e-commerce

Junior to Intermediate

HTMLCSSJSJS frameworks

Make a modern e-commerce website with multiple pages including product listings, a product detail page and a shopping cart overlay.

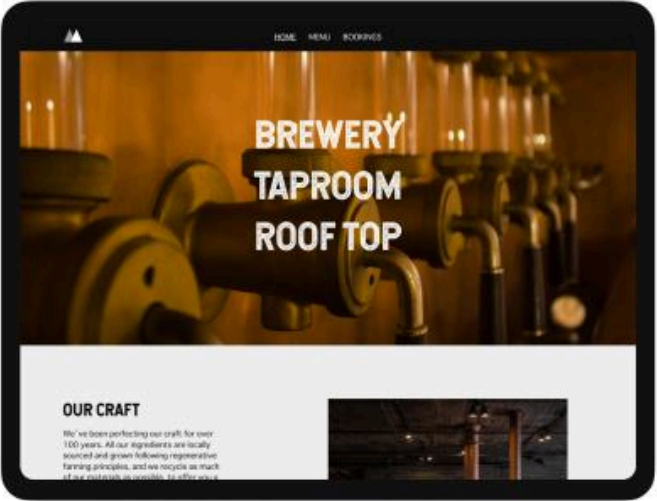

_Use CSS Grid or a CSS framework to make a fully responsive grids of products

_Practise making re-usable components with different variants

_Make product carousels

REFRAME YOUR CV

To all those on a new career journey in 2024, remember

Progress has little to do with speed, but much to do with direction

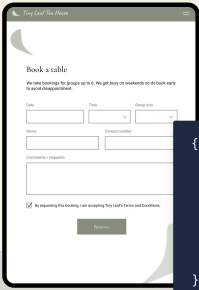

Happy New Year from the CodeCaravan team 🍀

Meet GEO

Our brand new, stylish weather app for you to build with React and live API data

Demystify

```
{
  "name": "Joe",
  "phone number": 0764567238,
  "reservation": {
    "guests": 3
  }
}
```

Find forms challenging?

Join our next mentoring session and master how to code up fully-functional, accessible forms that look great.

Make it look pro with conditional rendering

```
if (weather === "cloudy") {
  return
} else {
  return
}
```

Join our live session TODAY to get a senior developer's tips on this key technique

APIs and component architecture

Master forms in React

Join us today for a special mentoring session on how to handle forms and capture data in React – and nail your next technical interview.

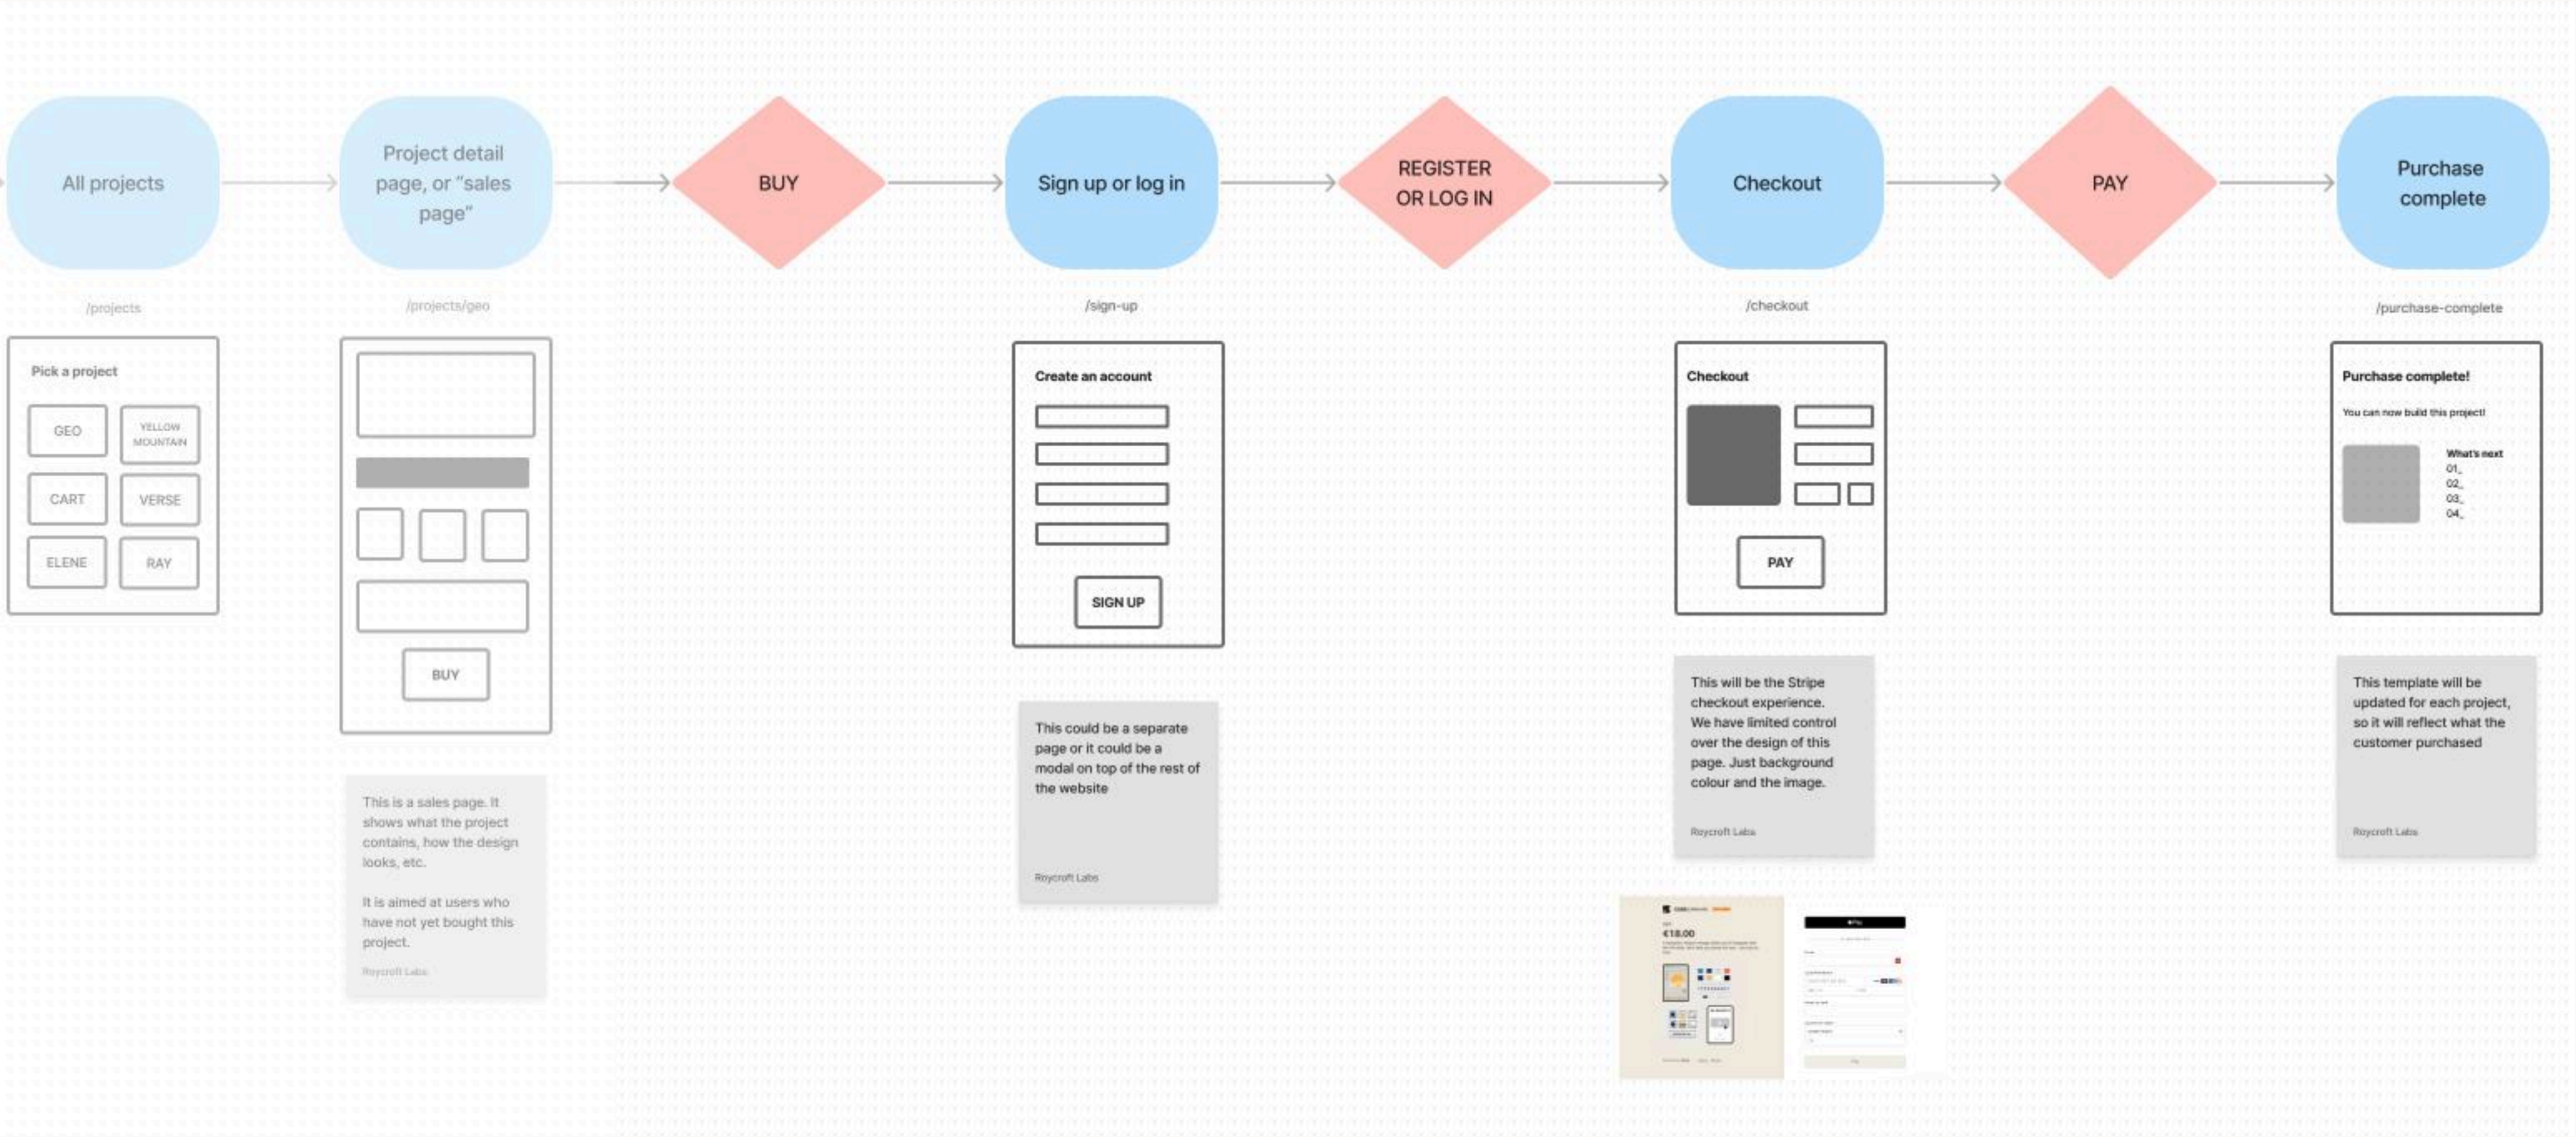

```

Café website “Tiny Leaf”

Branding and website design

Our blends

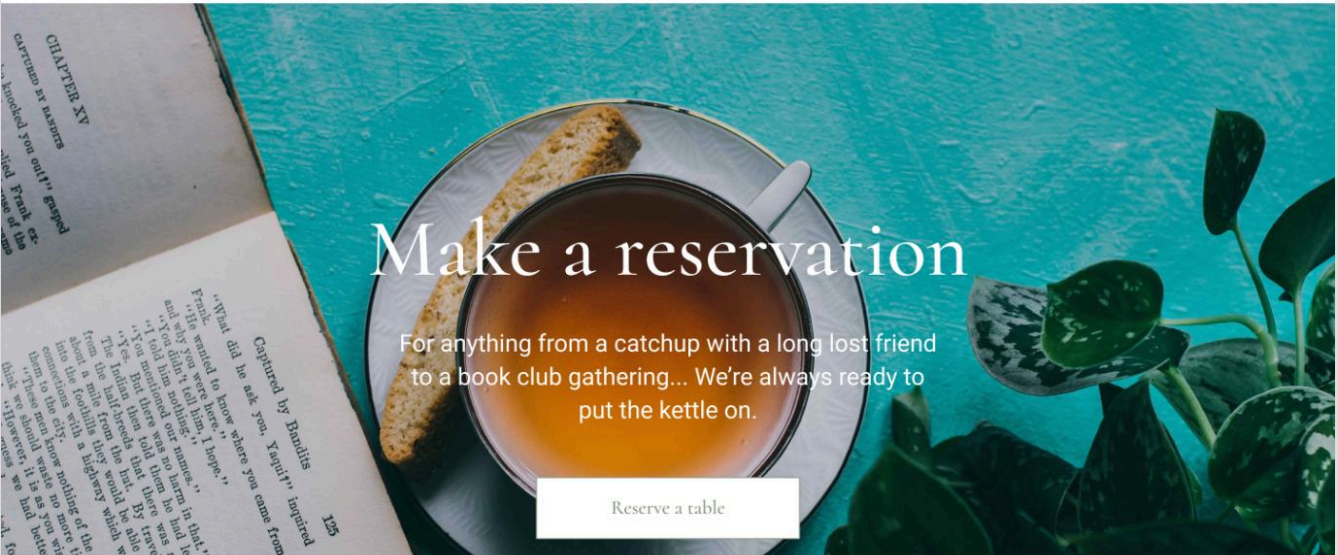

We make our very own Tiny Leaf blends right here in the tea house, offering new flavours according to the season. We source all our produce sustainably and make sure the hands that laboured for our flavoursome cups were rewarded fairly.

Hand-picked
and sustainable

Wise Leaf evenings

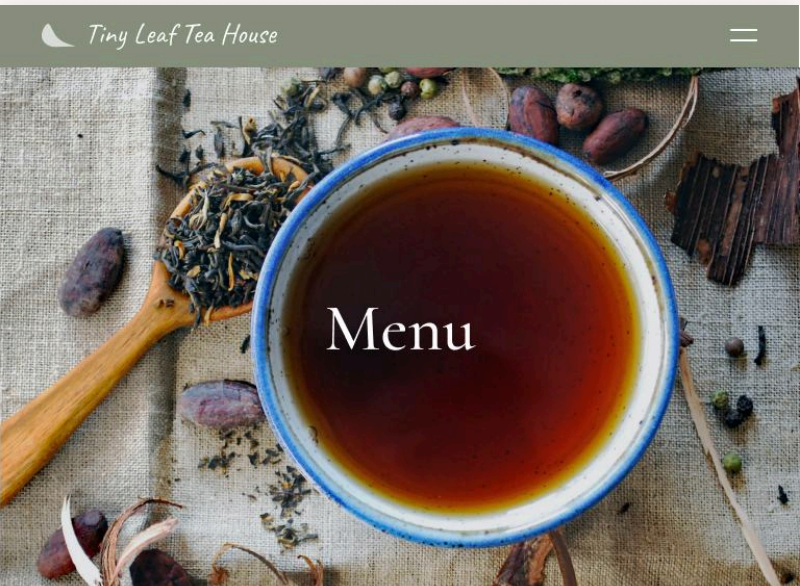

Bringing together those with curious minds, speakers and observers alike, our Wise Leaf events are a melting pot to share, reflect and contemplate.

Make a reservation

For anything from a catchup with a long lost friend to a book club gathering... We're always ready to put the kettle on.

Reserve a table

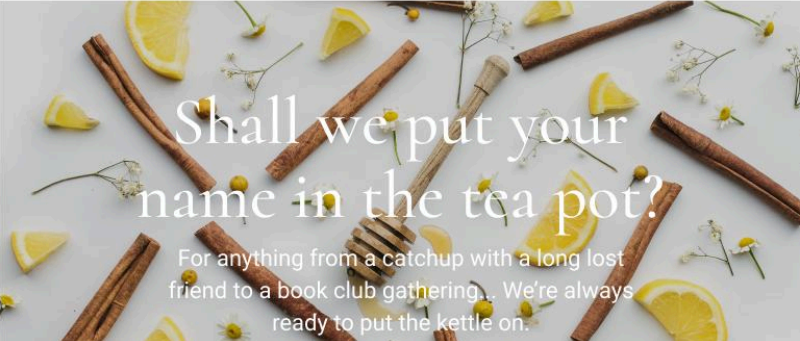

Loose leaf teas

Darjeeling	£4.50
A refined and light Black tea from the region the Tibetans call "country of storms" after the thick mist that rests on the plantations	
Blue Earl Grey	£4.50
A delicate blend of blueberry flower and sunflower petals with Earl Grey aromas	
Organic Mango and Papaya	£5
A mix of Indian Black tea, Ceylan, Assam and Chinese Green tea, along with dried mango and papaya for a sweet exotic flavour	
White Magic	£5
White tea sprinkled with rose buttons and marigold, with aromas of passion fruit, peach and apricot	
Wise Flower	£5
An unusual blend of rose, Sencha Green tea, dates and gooseberry petals. Refreshing and seasonal	
Night at the Palace	£5.50
Earl Grey aromas, kiwi, yellow peach, orange blossom and violet make this one of our most exquisite blends	

Special this week...

Sticky Almond	£5.50
Organic Sencha Green tea from China, mixed with apple, cinnamon, ginger and vanilla	
Green Sun	£5.50
Blood orange and orange bark make this a fruity and delightfully sour tea	
Christmas Special	£6
Organic Assam Black tea with cinnamon, caradamon and pineapple	

Shall we put your
name in the tea pot?

For anything from a catchup with a long lost friend to a book club gathering... We're always ready to put the kettle on.

Reserve a table

We take bookings for groups up to 6 people. We get busy on weekends so do book early to avoid disappointment.
